Something you got baby
You ought to know
It's something you got baby
Make me wanna be sold

Something you got baby
And you ought to know
A whoa whoa whoa whoa
I said, my my, whoa whoa
I love you so

Well it's something you got baby
Make me work hard everyday, everyday
Something you got baby
Make me bring home my pay yeah

And something you got baby
You ought to know
Whoa whoa whoa whoa
I said a my my, whoa whoa
I love you so
Hey, hey, hey

(Instrumental)

Well it's something you got baby
Make me come home every night, every night, every
night
It's something you got baby
Make me wanna feel alright, feel alright

Something you got
And you ought to know
Oh whoa, whoa, whoa, whoa
I said a my my, whoa whoa
My my my my my my, whoa whoa
I said a my my, whoa whoa
My my my my my my, whoa whoa
I said a my my, whoa whoa
I love you so
