When I hear that robin sing  
Well I know it's coming on spring  
Ooo-we and we're starting a new life  
I've been shovelling the snow away  
Working hard for my pay  
All I gotta say is we're starting a new life

We're gonna move  
Way on down the line  
Girl, we been standing in one place for too long a time  
When I hear that robin song  
Well, I know it won't be long  
Frank, I know we belong  
And we're starting a new life

We gonna move, move way on down the line  
Girl, we been standing in one place for too long a time  
When I hear that robin song  
Well, I know it won't be long  
Frank, I know we belong  
And we're starting a new life
