And as we walked  
Through the streets of Arklow  
Oh the color  
Of the day wore on  
And our heads  
Were filled with poetry  
And the morning  
A-comin' on to dawn  
And as we walked  
Through the streets of Arklow  
And gay perfusion  
In god's green land  
And the gypsy's rode  
With their hearts on fire  
They say We love to wander,  
Lord we love,  
Lord we love to roam...

And as we walked  
Through the streets of Arklow  
In a drenching beauty  
Rolling back 'til the day  
And I saw your eyes  
They was shining, sparkling crystal clear  
And our souls were clean  
And the grass did grow  
And our souls were clean  
And the grass did grow  
And our souls were clean  
And the grass did grow

And as we walked  
Through the streets of Arklow
