Tell me what you want, tell me what it is
Tell me what you want, tell me what it is
Everybody's got me moaning
Every single night and day
Can't stand it anyway
Everybody's got me moaning
Tell me what you want, yeah,
Tell me what you need
Tell me what it is, say what
Tell me what you want, tell me what it is
Tell me what you need, see if I can get it
Tell me, tell me, tell me, tell me
Tell me, tell me, tell me
Tell me what you want, tell me
What you need
See if I can get it right now, child
Tell me, tell me, tell me, etc.
Tell me baby what you want
You're coming on strong, coming on strong
Tell me what you want baby, tell me What you need
