As you brush your shoes  
And stand before the mirror  
And you comb your hair  
And grab your coat and hat  
And you walk, wet streets  
Tryin' to remember  
All the wild breezes  
In your mem'ry ever.  
And ev'rything looks so complete  
When you're walkin' out on the street  
And the wind catches your feet  
And sends you flyin', cryin'  
Ooh-wee!  
The wild night is calling.  
And all the girls walk by  
Dressed up for each other  
And the boys do the boogie-woogie  
On the corner of the street  
And the people passin' by  
Just stare in wild wonder  
And the inside juke-box  
Roars out just like thunder.  
And everything looks so complete...  
The wild night is calling  
The wild night is calling  
Come on out and dance  
Come on out and make romance....
