(Chorus)

Heaven, it's the hole of the heart,  
Yer heaven it will tear you apart  
Heaven, it's the hole of the heart,  
Yer heaven it will tear you apart

There's too many kings who wanna hold you down,  
And the world at the window have gone underground  
There's a hole in the sky where the sun don't shine  
And a clock on a wall and it counts my time.

CHORUS

There's a song in the air with the love you lie  
And there's a face in a glass and it looks like mine  
But I'm standing here like ice when I say I don't hear  
pain  
And I love all the fools that wanna jump my train

CHORUS

(There's too many kings who wanna hold you down,  
There's a song in the air with the love you like) x3  
There's too many kings who wanna hold you down
