You and I in a little toy shop  
Buy a bag of balloons with the money we've got  
Set them free at the break of dawn  
'till one by one they were gone  
Back at base, sparks in the software  
Flash the message "something's out there"  
Floating in the summer sky  
Ninety nine red balloons go by

Ninety nine red balloons  
Floating in the summer sky  
Panic bells, it's red alert  
There's something here from somewhere else  
The war machine springs to life  
Opens up one eager eye  
And focusing it on the sky  
As ninety nine red balloons go by

Ninety nine decisions treat  
Ninety nine ministers meet  
To worry, worry, super scurry  
Call the troops out in a hurry  
This is what we've waited for  
This is it boys, this is war  
The President is on the line  
As Ninety nine red balloons go by

Ninety nine knights of the air  
Ride super high-tech jet fighters  
Everyone's a super hero  
Everyone's a Captain Kirk  
With orders to identify  
To clarify and classify  
Scramble in the summer sky  
Ninety nine red balloons go by

Ninety nine dreams I have had  
In every one a red balloon  
It's all over and I'm standing pretty  
In this dust that was a city  
If i could find a souvenir

Just to prove the world was here  
And here is a red balloon  
I think of you and let it go
