This is the greatest and best song in the world  
Tribute  
Long time ago me and my brother Rob here  
We was hitch hiking down a long and lonesome road  
All of a sudden  
There shined a shiny demon  
In the middle of the road  
And he said  
Play the best song in the world or I'll eat your souls  
Well me and Rob, we looked at each other  
And we each said  
OK

look into my eyes and it's easy to see  
one and one make two and one and one makes three  
it was destiny.....  
once every hundred thousand years or so when the sun  
doth shine  
and the moon doth glow and the grass doth grow

This is not the greatest song in the world, no  
This is just a tribute  
Couldn't remember the greatest song in the world  
Yeah no  
This is a tribute  
To the greatest song in the world  
alright  
It was the greatest song in the world  
alright  
flibabado- babado greatest song in the world  
Alright
