Throw away the radio suitcase
That keeps you awake
Hide the telephone, the telephone, telephone in case
You realize that sometimes you're just not okay
You level off, you level off, you level off
But it's not alright now
You need to understand
There's nothing strange about this
You need to know your friends
You need to know that

I'll be waving my hand
Watching you drown
watching you scream
Quiet or loud

And maybe you should sleep
And maybe you just need
A friend as clumsy as you've been
There's no one laughing
You will be safe in here
You will be safe in here

Throw away this very old shoelace,
That tripped you again
Try and shrug it off, shrug it off, shrug it off
It's only skin now
You need to understand
There's nothing fake about this
You need to let me in
I'm watching you and...

I'll be waving my hand
Watching you drown
Watching you scream
No one's around

And maybe you should sleep
And maybe you just need
A friend as clumsy as you've been
There's no one laughing

You will be safe in here
You will be safe in...Oooo

I'll be waving my hand
Watching you drown
Watching you scream
Quiet or loud

And maybe you should sleep
And maybe you just need
A friend as clumsy as you've been
There's no one laughing
You will be safe in here
You will be safe in here
You will be safe in here
