Delta dawg
what's that flower you have on?
could it be a faded rose
from deyscombe.
And did I hear you say he was meeting you here to day
to take you to his mansion in the sky.

You gotta know when to hold 'em,
know when to fold 'em,
know when to walk away,
know when to run.
You never count your money
when your sitting at the table
there'll be time enough for countin'
when the dealings done.

Busted my flip flop,
stepped on a pop top,
cutting my heels had to move on back home,
but there's booze in the blender
and soon it will render
that frozen conduction it helps me hang on.

Wasting away again in margharitaville
searching for my last shaker of salt
some people claim that there's a vingoe to blame, but I
know
it's all snooks fault
