How many crazy people say  
I'd never eat it anyway  
Where were you when we were eating pie?

Slowly walking down the street  
Faster than the sugar beet  
Where were you when we were eating pie?

On Sunday you'll be hungry  
Watching those bananas  
In a flavoured explosion in the pie.  
Cos someday you'll be crazy  
Wanting those bananas  
In a flavoured explosion  
In a flavoured explosion in the pie.

Open the lid and ask it why  
Do I own a purple tie?  
Wipe that water off your inner thigh.

Slowly walking down the street  
Faster than the sugar beet  
Where were you when we were eating pie?

On Sunday you'll be hungry  
Watching those bananas  
In a flavoured explosion in the pie.  
Cos someday you'll be crazy  
Wanting those bananas  
In a flavoured explosion  
In a flavoured explosion in the pie.
