The louder you're getting
The more i'm bed-wetting
I'm lying on the grass awake.
Just as things were getting quiet
You decide to start a riot
But now it's just going too far.
Maybe you're just naturally loud.
Too bad that I look like a big fluffy cloud.

Cause I am a sheep
And I'm trying to sleep
Na-na-nodding my head
In a rhythmic motion
Cause I am a sheep
And I'm trying to sleep
Na-na-nodding my head
In a rhythmic motion again.

Seems like each time
I get some peace and quiet
You go and make a lot of loud noise.
I don't normally complain
But now you're driving me insane
So I think maybe I should go steal your rake.
Maybe you're just naturally loud.
Too bad that I look like a big fluffy cloud.

Cause I am a sheep
And I'm trying to sleep
Na-na-nodding my head
In a rhythmic motion

I can't lay back and count in my head
I need quiet to go to bed.
Cause I hate it
When you farmers
Decide to drive your tractors at night.
So believe me
It's not easy
It seems that somethings telling me

I am a sheep
And I'm trying to sleep
Na-na-nodding my head
In a rhythmic motion
In a rhythmic motion again.
