Now, Broom, you must now sweep for me  
the dust that fills my room

No, Jon, I will not sweep for you  
for I am not your broom.

What nonsense are you speaking, Broom?  
My words you must obey.

Another life awaits for me  
and I am leaving you today

I am not your broom, I am not your broom  
I've had enough, I'm throwing off my chains of  
servitude  
I am not your broom, I am not your broom  
no longer must I sweep for you for I am not your broom

hmm hmm hmm hmm hmm hmm hmm hmm  
hmm hmm hmm hmm hmm hmm
