Daisy, daisy
Give me your answer true.
I'm half crazy
All for the love of you.
It won't be a stylish marriage.
I can't afford a carriage.
But you look sweet
Upon the seat
Of a bicycle made for two.

He means a tandem bicycle.

It's hot, it's cold
It's brand new and it's old.
It's sitting in the corner of my
Circular room.

It's light, it's dark
It's a camel and a shark.
It's tidying a fishtank with an
Electric broom.

Irony, irony.
Riding dolphins through a factory.
Irony, irony.
Feeding plants with herbal tea.

It's red, it's blue
It's superman on the loo.
It's chickens ordering megabuckets at
KFC

It's up, it's down
It's sadder than a clown.
She's looking straight at you, but she's
Thinking of me

Irony, irony.
Riding penguins through a factory.
Irony, irony.
Feeding plants with normal tea.

The world
Is made of irony.
And my car
Is very irony.
And even in the fog
It's very clear to see.
The world has lots and lots and lots and lots and lots
and lots of irony.

Irony, irony.
Riding parrots through a factory.
Irony, irony.
Feeding plants with herbal tea.

Irony, irony.
Irony, irony.
Irony, irony.
Irony, irony.
Irony, irony.
Irony, irony.
Irony, irony.
Irony, irony.
