This is a jolly song  
About pain, hatred and depression  
And how nothing ever goes right  
But this is a jolly song, so that's alright

You're probably annoyed cause I can't play the guitar  
Well get annoyed more  
Cause annoyance leads to anger  
Anger leads to Hatred  
Hatred leads to Hunger  
Hunger leads to KFC mega bucket

This is a jolly song  
About how everything sucks  
Except for ducks  
With their white feathers which we don't have  
They're pretty cool

This is a jolly song  
About pain, hatred and depression  
And now it's ending so you can be happy  
Happy  
Pain!
