Whilst working in the lab,
Late one night,
When my eyes beheld and eerie sight,
For my monster from his lab began to rise,
And suddenly to my surprise..

(he did the mash) He did the monster mash,
(he did the mash) It was a graveyard smash,
(he did the mash) It caught on in a flash,
(he did the mash) He did the monster mash,

(wa-oo) From my laboratory in the castle East,
(wa-oo) To the master bedroom where the vampires
feast,
(wa, wa-oo) The ghouls all came from their humble
abodes,
(wa-oo) To get a jolt, from my electrobes.

(they did the mash) They did the monster mash,
(the monster mash) It was a graveyard smash,
(they did the mash) It caught on in a flash,
(they did the mash) They did the monster mash,

Now everyone was having fun
the party had just begun
the guests included the wolfman
dracula and his son

(wa-ooo) The scene was rocking, oh we're digging the
sounds,
(wa-oo) Eagor on chains backed by asbaying hounds,
(wa-oo) The coffin bangers were about to arrive,
(wa-oo) With their vocal group, the crypt kicker five

(they played the mash) They played the monster mash,
(the monster mash) It was a graveyard smash,
(they played the mash) It caught on in a flash,
(they played the mash) They played the monster mash

Now everything's cool, Drac's a part of the band,
And my monster mash is the hit of the land,

For you the living, this mash was meant too,
When you get to my door, tell them Ernie sent you.

(Then you can mash) Then you can monster mash,
(the monster mash) and do my graveyard smash,
(then you can mash) You'll catch on in a flash,
(then you can mash) Then you can monster mash.
