"Scrabble Zebra"

I've got a zebra, he plays scrabble quite a bit.
And he's becoming quite good at it.
Oooo. Oooo. Oooo.
Bom, bom, bom, bom.

Talking 'bout my scrabble zebra.
He can spell words like protozoa.
Talking 'bout my scrabble zebra.
He often gets triple word score.
Talking 'bout my scrabble zebra.
He watches countdown every day
Talking 'bout my scrabble zebra.
But plays scrabble any way.
Talking 'bout my scrabble zebra.
Talking 'bout my scrabble zebra.
My scrabble zebra.

My zebra's not like all the rest, he sometimes gets
some stick.
But the birds all say he's the best, they all like his huge
Vocabulary.
Ooo. Ooo. Ooo.
Bom, bom, bom, bom.

Talking 'bout my scrabble zebra.
He can spell words like protozoa.
Talking 'bout my scrabble zebra.
He often gets double word score.
Talking 'bout my scrabble zebra.
He watches countdown every night
Talking 'bout my scrabble zebra.
His scrabble skills are better than alright.
Talking 'bout my scrabble zebra.
Talking 'bout my scrabble zebra.
My scrabble zebra.
