### "Somebody Kill Me"

You don't know how much I need you  
While you're near me I don't feel blue  
And when we kiss I know you need me too  
I can't believe I've found a love that's so pure and true

But it all was bullshit  
It was a goddamn joke  
And when I think of you  
I hope you fuckin' choke

I hope you're glad with what you've done to me  
I lay in bed all day long feeling melancholy  
You left me here all alone, tears running constantly

Oh somebody kill me please  
Somebody kill me please  
I'm on my knees, pretty pretty please  
Kill me  
I want to die  
Put a bullet in my head...
