She fell off a boat in France
She's Insane

She's a little bit crazy, some might say
But all the horses, they say nay!
Smiles all the time like she's won a trophy
The people of this village call her Sophie

Cause Sophie is her name
And Laughing is her game
She makes everything seem
Slightly better than a dream
She's always got the time
To listen to you whine
And Sophie is her name
And Laughing is her game

And you can tell everybody
This is your song
It's not very complicated
Just some stuff that we've done
I hope you don't mind
I hope you don't mind
We're changing the tune again

Lalalalala, Lalalalala, Lalalalala, Lalala
Lalalalala, Lalalalala, Lalalalala, Lalala

Cause Sophie is her name
And Laughing is her game
She makes everything seem
Slightly better than a dream
She's always got the time
To listen to you whine
And Sophie is her name
And Laughing is her game
