"Tiny Salmon"

This is an old song I learnt.
In the old western east.
It's a bout a tiny
Salmon.
Of course salmons lives are very
Difficult.
They have to swim up
Streams.
And they might encounter
Bears.
This song is rooted in deep
History and
Tradition.
In many tribes.
Anyway here it is, tiny salmon.

Tiny salmon, swimming in the sea.
Tiny salmon, swimming the impossible dream.
And the friendly owl goes
Hoot Hoot.
And the angry chimp goes
Oo ee oo ahh ee ahh
But the tiny salmon can only say
Brrrrr, brrr.
And it's sad.
