I heard you on my wireless back in 52  
Lying awake intent on tuning in on you  
If I was young it never stopped me coming through

They took the credit for your second symphony  
Rewritten on machine by new technology  
And now I understand supernovasee.

oh-oh  
I met your children  
oh-oh  
What did you tell them?

Chorus:  
Video Killed the Radio Star  
Video Killed the Radio Star  
In my mind and in my car  
we can't rewind we've gone too far

the pictures came  
and broke your heart  
so let's blame it all on VCR

(chorus)
