The other night dear
As I lay sleeping
I dreamed I held you
In my arms
When I awoke dear
I was mistaken
and I hung my head and cried

You are my sunshine
My only sunshine
You make me happy
When skies are grey
You'll never know dear
How much I love you
Please don't take my sunshine away

I'll always love you
and make you happy
If you will only
Say the same
but if you leave me
To have another
You'll regret it all someday

You are my sunshine
My only sunshine
You make me happy
When skies are grey
You'll never know dear
How much I love you
Please don't take my sunshine away

You told me once dear
You really loved me
and no one else could come between
but now you've left me and I've got nothing
You have tattered all my dreams

You are my sunshine
My only sunshine
You make me happy

When skies are grey
You'll never know just how much I love you
Please don't take my sunshine away
Please don't take my sunshine away
