I'd smash every single star from the sky
And I'd leave all my hopes and dreams behind

Cuz it can't rain everyday
And I won't hear you when you say
I'm long gone and you're too far away

Who's The Fool Now?
Who's The Fool Now?
Who's The Fool Now?

When you're good as gold

When you're mine
I'm the sun you say, yeah I'm too bright

Well you can't bare the glare today
I'm standing in the pouring rain
That way you will never see me cry

Who's The Fool Now?
Who's The Fool Now?
Who's The Fool Now?
