2000 years ago in Iran
Old man in mountain now
Well, he got a plan

He not no slave god
He don't need no slave
He's seen the garden now
And he's got a key

2000 years ago in Iran

He's one big outlaw now
He's fighting the ranch

2000 years ago in Iran

Not much has changed
In all this time
We don't use mummies now
Use sex between males
