Silenced by a picture on the wall
The outlines of a loved one I adored
Why couldn't you wait some more
Why did you wait at all
When the meaning of your holy quest was just to do me
harm

To late for faith
To late
To late for faith
To late
And now I'm on my own

Your god is lying dead here by my side
And if someone wanna know the reason why
Well he didn't keep his promise and we didn't get
along so i chooked him with a pillow and now you're on
your own

To late for faith
To late
To late for faith
To late
And now I'm on my

Hey god where's seventeen at
He was just about to show me how to float on water
Well he's not in the closet and he's not in his room
So where the hell is he
Yeah where the fuck is he

Childhood's over once you learn about death
Childhood's over once you learn about death
