Josie and the Pussycats
Long tails and and ears for hats
Guitars and sharps and flats
Neat, sweet, a groovy song
You're invited, come along.

Hurry, Hurry

See ya all in Persia
Or maybe France
We could be India
Or perchance
Be with us in Bangkok
Make no difference
Everywhere the actions at
We're involved with this or that

Cone along now

Josie and the Pussycats
No time for purrs and pats
Won't run when they hear scat
There where the plot begins
Come on and watch the good guys win
Josie and the Pussycats
Josie and the Pussycats.
