Today, Today
I was on the train today
And I was looking at you
Looking, Looking, Looking.
Today (I was on the)
And I was looking at you
Looking (oh)
I was on the train today (looking)
And I was looking at me (today) looking at you (oh)
Lokking at you I was looking at you. Today. Today
Today I was on the train to day. I was on the train today
and I was looking at you looking at me.

I was...

And you were looking at me
(she looked at me, at me)
You were looking at me.
