Scared to death on the first day of spring  
Stood a robin who wanted to sing  
So we took in the scene of impossible green  
Wondering how we should cause such a thing

Had a feeling that love was the word  
Unexplained and it's such underheard  
Just the flame of a feeling  
Hell-bent on revealing  
And peeling the song from the bird

Despite all the heartache it brings  
My love is a surefire thing  
Despite all the heartache it brings  
My love is a surefire thing  
My love is a surefire thing

Scared to death at the edge of despair  
Stood a sparrow beyond all compare  
And she glanced through the glid  
Where the new lovers played  
Wondering why she must stand solitaire

Soon a robin swooped down from his tree  
And a sparrow jumped up suddenly  
Now honey there's a long, lost love some(where)  
Running it's way through the breeze

Despite all the heartache it brings  
Our love is a surefire thing  
Despite all the heartache it brings  
Our love is a surefire thing  
Our love is a surefire thing

A rough and tumble  
An epic fumble  
Improves on silence  
All over islands

A rough and tumble  
An epic fumble

All over islands  
Improves on silence

A rough and tumble  
An epic fumble  
Improves on silence  
All over islands

Despite all the heartache it brings  
Our love is a surefire thing
