Beat him to death everyday
Never thought he would be famous someday
With his glasses and his midnight tan
Every lady thought he was the man

Until until until..

He got fucked by the USA
He got fucked by the USA
He got fucked and what did they say?
You were worthless anyway
So go away

So he's a hobo on the street
Eaten rice and sleeping in dirty sheets
Buying porn, doing drugs, having lots drink
But he really never stopped and tha-a-ank
What he gotten himself into
He never cared it was an like a apple cut in two
Never knew what to do

Until until until..

He got fucked by the USA
He got fucked by the USA
He got fucked and what did they say?
You were worthless anyway
So go away

He's beat, he is red
By now he should be dead
But no he's here
With beer and a whole lot of cheer

He got fucked by the USA
He got fucked by the USA
He got fucked and what did they say?
You were worthless anyway
So go away [x2]

[Talking]

So what really did happen to that kid?
Well no one knew since..
