I like the smell of manure,
I like the smell of the poor,
I like the smell of Frank Muir, so,
Come on, let's have a look at it,
Come along, now, let's have a sniff of it,
Come along, now, let's have a little bit more.
(Yedibumyedibumyedibumbedibum..)
I like the smell of a flannel,
I like the smell of an old oak panel,
I like the smell of the hair of a spaniel, so,
Come on, let's have a look at it,
Come along, now, let's have a sniff of it,
Come along, now, let's have a little bit more.
(Yedibumyedibumyedibumbedibum..)
I like the smell of kung fu,
I like the smell of my coo-ka-chu,
I like the smell of Lulu's hairdos, so...
I like the smell of Ball Boy,
I like the smell of the hoi polloi,
I like the smell of shredded corduroy...
I like the smell of a fiesta,
I like the smell of Frank Bough's wife Nesta,
I like the smell of a horse drawn necklace, so...
Come on, let's have a look at it,
Come along, now, let's have a sniff of it,
Come along, now, let's have a little bit,
Come along, now, let's have a little bit,
Come along, now, let's have a little bit...MORE!!!
Let's have a little bit more!
