V1: My caliber holster's in orifice the bad mouth anchor  
ventures spout towards opposing blood pumper  
muscle Misleading stout grey delay honesty hustle's  
out Ground grammar null and void instoid  
embarrassment Tackle cattle pusher hounds to my  
amusement game Nab a drab louse ampling toxin With  
a locked in locksmith neutering keyhole deposits on a  
rocket cockpit tic-tocking Down side the turnips erupt  
the butting heads A cotton fit not barley Cherokee head  
dress down to chest and moccasin sole Goal, drowning  
the devil in a knee length of stomps prompts spiritual  
attack on hack to lack joy Ionics my bond ironically  
spawn boy from sperm marathon in stadium womb  
Cradle the brainchild wool coverings his comfort days  
ahead of slumber, first warnings, cane to steady lower  
numb'er This poems organically groan Dome  
supplements to gnome (Chorus) I am in blood stepping  
in it so far that should I look no more? Should I look no  
more? x4 (underneath) The hooks, the hooks, the  
hooks of tranquility dig deep within my peace here. x4  
V2: I'm returning were as tedious be stiff adore Of one  
ill comes many misfortunes to any diss swimming with  
marine percoid dorsal fin blenny fish I fear  
explanations explanatory of things explained, ay? Well  
what's to reasoning the things reasonably reasonable  
for no reasonless reason itself? Keep your face to the  
sunshine and you can't see the shadow A Helen Keller  
quote that ended on a bad note I applaud those that kill  
rats by burning down their own house Acclamations to  
pounce on stupidity resulting in a homeless pity  
Pavement tops highest pros hillside journey alone  
Tinkle bone when chops close on metal line Webster  
spine thick of vocab to clap define Pining mathematics  
past the two if I had a pair The quadratic significant  
pertains to my life square
