V1: The pensive Mister coming in with the written The
visible coefficients lessen by the sitting A psyche
sicken now wowed by flawless joy Christ, a solid
solution like he's allow Heed these philosophics
spewed out by young boy The transfer of energy
matters of convoy Bombard the guards of hell with
abstract rude fits Injecting the radio active atomic
nucleus with... verbal kicks enhance by man strapped to
branches An action--flash sore Blood plummets to floor
Reached to peeps stumbling on a swing swung vacant
vexing the mental more A corridor of conduits anti to
narrow path influence Plummet to ruins iniquities that
be looming This mist metamorphed to clear-sighted A
track united in these head phones to ear
