V1: Yo, I cracked the mold stepping out to spout pouts
forth A road sprinkled with deterrents to "impossible"
my flourish glitch Currents to ripples tickles my
confidence Commence an opposite frown I couldn't
have what's over the fence, so I ripped the fence down
Match sticks to friction is what's mission upon this mic
Pondering linguistics ghost insight So eminent idioms
is your orifices plight so... No heat No heat Emcees got
no heat these days No heat No heat Emcees got no
heat these days. V2: Thank you for crushing my leaves
that hid inadequacies on concrete Lumber killing me
softly Mocking birds chirp threats mischievous to billing
Ground levitates and lower ceiling vexed the
claustrophobic and fate abates choice to a one option
panic fat frantic thought bubbles The metaphorical
form guzzle contravention Destroyed piece by piece 'til
no peace is left in me Ha, I got no peace and I'm left
here in pieces I'm just a joyful boy full of joy that has to
answer to twelve angry men inside Then enters Apollo
the 13th voice to explain why hope sinks These on-
going things never occur about-face Sporadically infinite
and prolifically limited So now the turtle is a shell of
what he once was and the rabbit runs ignorant but free
V3: Mystic rivers granted the peddle of trespasser's
eager fancy Illogical fit my membrain and towers the
pansy Tacky turnouts-bumble mouths-where aboutsÂ
"NOT ALLOWED" was muted White walls fingered by all
Despite free wills lumpy pillow Willow pallid jives
direction stain endangering the spiky pendulum
Daffodils dab a grill equalizing the second clowd's skill
You bargain to gain perspective of invective "blaw-
blaws" Shift the paradigms climb to vertic intelligence
Murky irrelevance swab a faithful house pet upon a
high horse and prodigal pours more then "Oops" the
over flow Cannot sow but exceeds in reaping the
invisible peeping licks lacks variation Contemplating
raw mating giggles the pattern domino affect
Enthralling infecting dilated retina blacks the whole lid
Silence a high pitch glitch scatter jaw to claw manna a
wander if He should look forth and look no more
