When I see you walking pass my window
Walking down the street
Minding your own business
When I hear your footsteps pass my window
Knowing that you passed me by
Maybe I'm crazy, feeling lonely
Cause I'm still in love with you
When I see you
I wanna hold you
That's how I know it's true

I feel , I'll see you
Oh
I'll see you but I don't know where or when

When I see you running in my memories
Running back into my dreams
If I see you walking into someone els's life
Then I have surely be misunderstood
Maybe I'm crazy, feeling lonely
Cause I'm still in love with you
When I see you
I wane hold you
That's how I know it's true

I feel, I'll see you
Oh I'll see you but I don't know where or when
Oh I feel, I'll see you
I'll see you
But I don't know where or when
I'll see, I'll see , I'll see, I'll see you
I feel, I'll see you
Oh I'll see you
But I don't know where or when
Oh I feel I'll see you
In my dreams in my dreams
I'll see, I'll see, I'll see, I'll see you.
