Here I am again  
Alone again  
You know I want to be alone  
With you and the ladybird, the ladybird  
So you don't have to be alone

The ladybird she loves you too  
Like I do, like I do  
And she will an eye on you  
Like I do, like I do

I can't be with you  
So can she, the ladybird  
She may be small but here love is hugh  
Ladybird, ladybird of mine

The Ladybird she loves you too  
Like I do, like I do  
And she will keep an eye on you  
Like I do, like I do

I want to see you  
I know I can't  
I want to see you after all  
I know I can't
