Hey mister Man I really do think you should go now
I really don't want to be with you,
You know, so go now.

Chorus
Hey mister Man
You've got to leave
I don't believe you
Just understand me

You've been here for a long time, so move on
Find yourself a new place, where you belong

Chorus (2x)
Hey mister Man (Go now) (Go now)
Hey mister Man (Go now) (Go now)

It's time for you to understand
Forget about it Mr. Man (2x)
Oh, Oh, Oh, go mr. Man
Oh, oh, oh, go now (2x)
