He mister man I really do think you should go now  
I really don?t want to be with you,  
You know, so go now.

Refr.  
He mr. Man  
You?ve got to leave  
I don?t believe you  
Just understand me

You?ve been here for a long time, so move on  
Find yourself a new place, where you belong

Refr. 2x

He mr. Man go now  
He mr. Man go now  
He mr. Man go now

It?s time for you to understand  
Forget about it Mr. Man (2x)

Oooo go mr.man  
Ooooo go now.
