When I saw you guys dancing in the sun, a shadow fell
on my heart
You were the worst mistake she ever made

And she laughed too loud at your jokes, yes I know you
were funny
But I couldn't laugh... because I knew where it would
lead.

Now the anger has drowned out all the jokes, she
doesn't laugh anymore
See the pain in her smile

And she's tried, yes she's tried to run away, but you
would not let her go
You are her ball and her chain

Now I wish you were dancing in the sun, but the steps
were all wrong
So release her from her chains now

With your jokes you imprisoned her heart, you never
gave her a chance
She never knew you couldn't dance...
Now the anger has drowned out all the jokes, she
doesn't laugh anymore
See the pain in her smile

And she's tried, yes she's tried to run away, but you
would not let her go
You are her ball and her chain

Now I wish you were dancing in the sun, but the steps
were all wrong
So release her from her chains now

With your jokes you imprisoned her heart, you never
gave her a chance
She never knew you couldn't dance...
