[Little Girl]

I got a boyfriend now \*laughs\*

[Eve]

C'mon, uh, uh, uh, yo, yo

1 - Gotta man that I think I'm gon' love forever  
And forever, we'll be together (C'mon)  
No matter where he goes, I'll be thinkin' of him  
I'm gonna love him, I'm gonna love him

(Repeat 1)

[Eve]

Yo, Yo, this nigga lookin' like love, no doubt  
Sophisticated thug keep me guessin'  
Said it would be a blessin' just to watch you undressin'  
Callin' you daddy, late nights I'm layin' on your chest  
And, stay reminiscin' bout the rest  
And, how they less than, trying to come between what  
we share  
Can't compare, could have been left  
But when it's mine, I never share, fight to the death  
If need be to prove that, wounds from your war  
Other bitches couldn't soothe that, broke from a bad  
back  
I'm holdin' you down, throwin' dirt with other bitches  
But them other fishes drown, locked in, for however  
long  
I'm playin' it smart, court dates in other cities  
There I'm playin' my part, wif-ey, in ya life see  
Forever be us, passenger side of a Bentley  
Or the number 2 bus, tell the whole world, papi  
EVE don't want nobody else, with other niggas pick and  
choose  
But you, I'm keepin' for myself

(Repeat 1)

(Repeat 1)

All my peoples thinkin' I'm delirious

But the love I feel is serious  
Couples of the world, no comparing us  
Been through fist fights with niggas when I see it  
escalate  
I'm the getaway driver so my nigga can escape  
Pull my ice for the bail, spending nights in jail  
Drawing hearts on the wall with our names around the  
cell  
It made a little craziness, maybe I'm blind  
But for me to leave now lookin' for love would take a  
lifetime  
So I'm keepin' mine, uh-huh, fuck it keep me blind  
Feels like heaven when we makin' love, controllin' my  
spine  
Wine and dine, I don't need that as long as long as you  
wit me  
And you bitches thinkin' that you competition, come  
and get me  
My position is held, some try and all fail  
Pussy piece a mothafucka', uh-huh, good enough to  
sell  
Never leave his baby girl, mad 'cause he claim me  
Only thug in the hood that was wild enough to tame me

(Repeat 1)

(Repeat 1)

I'm the bitch he'll never leave, helped him build his  
luxuries  
Carry stories that can hurt him, still he only trustin' me  
Secrets never leave my mouth, even if they torture me  
Always taught to hold the ground, that's why I'll always  
be his queen  
It's some thug shit things see him in the party, start to  
flip  
(What the fuck?)  
Curse him out on the regular just to make him sick  
Disappear for a day or two to test his loyal ground  
Keep my dogs on a short leash, controllin' the growl  
Open wide, I don't give a fuck, I'm swallowing my pride  
And he fast to blast a cat that he think be on the prowl  
But I'll never let him go, temper flare, let it go  
Always be his extra back bone, quick to let a nigga  
know  
Always by his side, EVE the apple in his eye  
Us together ain't no stopping snatchin' pieces of the  
pie  
Us together in our own world, what's his becomes mine  
Exceed eternity with him we'll stand the test of time

(Repeat 1 to fade)
