Heil,
Mothers love to wash you clean
To bleed you dry
Lie beneath filial grief
For genocide
Blondon Fair lust for their
Masterdom
Hooked and feint - Heaven sent
Exodus
Heil!
In the hut
In there
In the hut, the hut
Heil!
Fascist cross the borderline
Exit crime
Invade the peace, disturb the beast
Terrify -
Clicking black, shiny box
Crack the shell!
Blondon Fair separate
Gold for pearl
Heil!
No more room -
In the hut
In there
No more room -
In the hut, the hut
Heil!
Hooked and Feint, - Heaven sent
Martyrdom
Blondon Fair, without a care
Exodus
Heil!
