When you're with him do you still feel alone?
So lower your draw bridge;
You know what the truth is.
While you can't sleep though the whole night,
He's lying beside you, hiding nights from you.
He's not the one for you.

He knows exactly what to say when you're down.

I knew something wasn't right the night you said,
"He's not the one for you,
He's not the one for you"
I see more than just a pretty face, baby.
He's not the one for you,
He's not the one for you

Dark, deep lies behind your thick-lined eyes.
You're drinking to feel fine.
It's a matter of time.
You still can't sleep through the whole night.
Cause you're his prize on the mantle,
Silent, in shambles, love's such a gamble.

He knows exactly what to say when you're down.

I knew something wasn't right the night you said,
"He's not the one for you,
He's not the one for you"
I see more than just a pretty face, baby.
He's not the one for you,
He's not the one for you

It's raining oh oh
It's raining excuses.
He makes you feel useless.
Your heart is just playing tricks on you.

It's raining excuses.
He makes you feel useless.
Your heart is just playing tricks on you.

He knows just what to say.

I knew something wasn't right the night you said,
"He's not the one for you,
He's not the one for you"
I see more than just a pretty face, baby.
He's not the one for you,
He's not the one for you
