(One, Two, Buckle my Shoe)

(Do-dos, and yips yips, assorted improv)

I tired to find How my heart could be so blind,

(Wanna buy some Penzo?)

Dear

How could I be fooled just like the rest

You came on strong with your

Fast car and your class ring

Sad eyes and your

I fell for the whole thing

I don't regret for having met

Up with a girl who Breaks hearts

Like they were nothing at all (Here's one for mother)

I've done it too

Now I know just what it feels like
