For you, I could do anything

For your love, my heart cries

Take my heart, my love my everything

For so long I've needed your love

Oh, when, when you first came to me

But now you mean everything to me

And each day I love you more

For you, I could do anything

For your love, my heart cries

Take my heart

(Take my heart)

My love, my everything

(Take my love)

For so long

(Take my heart)

I've needed you

(Take my love)

Take my heart

Take my love

Take my heart

Take my love

Take . . .
