Anyway the wind blows is fine with me

Anyway the wind blows, it don't matter to me

'Cause I'm thru with the fussin' and fightin' with you

I went out and found a woman who is gonna be true

She makes me oh so happy now, I'm never ever blue

Anyway the wind blows is fine with me

Anyway the wind blows it don't matter to me

'Cause she treats me like she loves me

And she never makes me cry

I'm gonna stick with her till the day I die

She's not like your baby, she would never ever lie

Anyway the wind blows, is fine with me

Anyway the wind blows, it don't matter to me

Now I'm going to go away and leave you standin' at the door

I'll tell you this baby, I won't be back any more

'Cause you don't even know what love is for

Anyway the wind blows, anyway the wind blows

Anyway the wind blows, anyway the wind blows
