Direct

Directly from my heart to you

Direct

Directly from my heart to you

Oh, you know that I love you

That's why I feel so blue

Oh, I pray

Our love would last away

I pray

That our love would last away

Yeah, we'd be so happy together

But you're so far away

Well, I need

(Oh, baby, need you baby)

I need you by my side

Well, I need

Yes, I need you by my side

Oh, I'd loved you little darlin'

Your love I could never hide
