Oh no

I don't believe it

You say that you think you know

The meaning of love

You say love is all we need

You say

With your love you can change

All of the fools

All of the hate

I think you're probably

Out to lunch

Oh no

I don't believe it

You say that you think you know

The meaning of love

Do you really think it can be told?

You say that you really know

I think

You should check it again

How can you say

What you believe

Will be the key to a  
World of love?  
All your love  
Will it save me?  
All your love  
Will it save the world  
From what we can't understand?  
Oh no  
I don't believe it  
And in your dreams  
You can see yourself  
As a prophet  
Saving the world  
The  
Words from your lips  
I just can't believe  
You are such  
A fool
