[Biz Markie]

Aowwww!... this joint is funky!  
Aowwww!... this is funky!  
Yeah, yo Kurt this beat is funky  
You know that right?  
Yo, and you know me, I'm the Biiiiiz Markie  
I'm with my man Motion Man  
You want me to kick a funky rhyme?  
Okay, I'll kick one just for y'all...

Hello everybody, and how do you do  
I'm here to rock the house without further a due  
I know you like the way my rhythm sway  
Me, rock parties on down to the break of day  
The way I be doin' my rap technique  
No matter who you are, you can say it's unique  
My perpendicular, my New York slang  
I'm more popular than Spanky and the Gang  
Never rode a motorcycle, never flew a kite  
But a lot of women fight for my delight  
Chillin' the most from Coast to Coast  
For breakfast I O.Eazy-E.'s, eggs and toast  
Blood, sweat and tears in every rhyme I write  
Have your body jigglin' like cellulite  
If you wanna get down with the rhymin' tech  
Get on the floor, shake a leg and break ya neck

[Chorus: Motion Man] (Biz Markie)

Hold up, we done did it  
"He's Biz Markie"  
(Hold up, wait a minute!)  
"Motion Man with these things"  
Hold up, we done did it  
"He's Biz Markie"  
(Hold up, wait a minute!)  
"Motion Man with these things"

[Motion Man]

I'm a bold and cold, do a load and unload  
A round of raps that'll pap smear  
The organ mouth rapper, his gap's wide, gates open

Gynecologist? No, Motionologist - and 211's my thang  
I'ma snatch the work from all you poppies and  
mommies  
Like the stock market low did to several dot commies  
Look at this, it's the diabolical Biz Mark' kids  
he friends with the Mo-Shhh-on Man  
Big events, Biz and the Motion, the hecklin' starts  
out the crowd, clownin' MC's like D.L. Hughley  
Regulate 'em, megalo maniac'n today  
Then commentate the medley, steadily reppin' The Bay  
So pass the Old Gold this way, I'm all day mayne  
Nice in the gym, no range, shootin' spree  
from the nose bleed section, the teams and referees  
Man the whole damn crowd is now my poster child

[Chorus: Motion Man] (Biz Markie)

Hold up, we done did it

"He's Biz Markie"

(Hold up, wait a minute!)

"Motion Man with these things"

Hold up, we done did it

"He's Biz Markie"

(Hold up, wait a minute!)

"Motion Man with these things"
