[Chorus]

Reason to panic  
(Motion unchained with no surveillance)  
Reason to panic  
(Better duck when you see me comin')  
Reason to panic  
(Heaters fully raised up out the trunk)  
Reason to panic, reason to panic

[E-40]

Motion, win-lose-or-draw, I'ma jump in it regardless  
Show these squares a box of fruit loops, who's the  
hardest?  
Put on my clown suit and get to clownin', like Circus  
Vargas  
If I was a tool in the shed I'd be the sharpest  
Rap without E-40 is like wine without grapes  
A lot of rappers, get they game from my tapes  
Through these L-I-P's, I spit like a AK  
Off with his head, he wasn't usin' it anyway  
I'ma do the damn thing, 'til I'm old and grey  
I'm good, even on a bad hair day  
When the Ballatician talks, people listen  
Cause I'm ghetto, I'm ghetto like Church's Chicken

[Motion Man]

Yo, in with my lecture, my lecture will indeed infect ya  
Disease is stifling, like rednecks go out on riflins (yee  
haw!)  
Like Puerto rocks (fisk fisk) for knifings  
Runnin' human train like Dane did for Wisconsin  
Now which one's game to catch Tyson speed to the eye  
like Mitch Green on any beat  
Real relaxed with mystique, that woman's ass is petite  
Motion a full gorilla, full killa, full dealer  
Believe me partner, I'm a full blooded  
full gutted, duel nutted - fool from The Bay-yay  
Who will run it day to day, strong armin', come alarmin'  
Fade you like you drank forty Tom Collins at the club  
high

[Chorus]

Reason to panic  
(Motion unchained with no surveillance)  
Reason to panic  
(Better duck when you see me comin')  
Reason to panic  
(Heaters fully raised up out the trunk)  
Reason to panic, reason to panic  
Reason to panic  
(Motion unchained with no surveillance)  
Reason to panic  
(Sayin' "Feezy I ain't startin' somethin")  
Reason to panic  
(Heaters fully raised up out the trunk)  
Reason to panic, reason to panic

[Motion Man]

Carefully packaged hazmat like a FedEx pick-up  
Up every sleeve I got a trick up  
Offensive minded like I'm Brian Billick  
Raven style, soar the field like Ray Lewis hit ya  
It's Big Pelon aka Chef Hannibal Lecture  
I bring the flav' and spices to the kid who thinks he's  
nicest  
Bald headed, scary man, say your prayers at night it's  
Reason to panic, with E-40 blitz you boss like I'm Adrian  
Ross  
Dearly beloved, take the barrel of this gun and suck it  
I blow your head to smithereens like a magazine  
And put out my own magazine and circulate it through  
your town on you  
First issue titled "Nicely Broken Down On You"

[E-40]

I promise to never break a promise  
All I do is eat, sleep, and breathe ebonics  
A fire starter like Fredro Star from Onyx  
I got a partner named G, play for the Sonics  
I'm addictive like J.R. Rider and chronic  
I drink liquor, preferably Gin & Tonic  
Empty stomach hangover, sometimes I vomit  
And when I leave the vocal booth gon' be haunted

[Chorus]

Reason to panic  
(Motion unchained with no surveillance)  
Reason to panic  
(Better duck when you see me comin')  
Reason to panic  
(Heaters fully raised up out the trunk)  
Reason to panic, reason to panic

[Chorus]  
Reason to panic  
(Motion unchained with no surveillance)  
Reason to panic  
(Better duck when you see me comin')  
Reason to panic  
(Heaters fully raised up out the trunk)  
Reason to panic, reason to panic  
Reason to panic  
(Motion unchained with no surveillance)  
Reason to panic  
(Sayin' "Feezy I ain't startin' somethin")  
Reason to panic  
(Heaters fully raised up out the trunk)  
Reason to panic, reason to panic
