"Ain't Got The Time"

Do you want to waste away my life
Pass the blame again in black and white
You make it all seems so easy

Ain't got the time
Ain't got the time
Ain't got the time
Ain't got the time to hang around
Ain't got the time to waste my time

Do you wanna bore me out of my mind
I loose my nerve when you come around
Cause your tirades just besiege me

Ain't got the time
Ain't got the time
Ain't got the time
Ain't got the time to hang around
Ain't got the time to waste my time

Do you wanna talk about it now
