Got the wide open sky in my eyes

Got my feet on solid ground

They don't want me to be who I am

Here in this place, it's my daddy's town

Oh, won't you meet me down by the river?

Won't you meet me down?

On the blacktop road where the corn don't grow

Don't you think it's time, baby, you and I find where it goes?

It's a long shot ride but we'll hold on tight

And we'll chase that wind till we make our street of gold

Out of blacktop road

Girl, I'm a wild horse that's ready to run

I know I don't belong behind no fence

I want a hill that's as big as my dreams

All that I can try my heart against

Oh, won't you meet me down by the river?

Won't you meet me down?

On the blacktop road where the corn don't grow

Don't you think it's time, baby, you and I find where it goes?

It's a long shot ride but we'll hold on tight

And we'll chase that wind till we make our street of  
gold

Out of blacktop road

Won't you meet me down by the river?

Won't you meet me down?

It's a long shot ride, but we'll hold on tight

And we'll chase that wind till we make our street of  
gold

Out of blacktop road, out of blacktop road
